

Round 2 Participants - Instructions For Updating Your Keplr Wallet

If you did not enter your Neutaro wallet address at the time of your original purchase, you need to follow a 3 step process to update your Neutaro wallet address in your profile. Your tokens will be distributed to your wallet 24 hrs before Oriadex listing on the 19th Feb 2024.

Please note the Token Purchase screen incorrectly references 'Cosmos Wallet' - Please input your Keplr Wallet.

Step 1

Step 2

The image shows the 'Purchase Tokens' screen. It includes a text input field for the 'COSMOS Keplr wallet' address, which is circled in blue. Below this is a section for selecting the number of tokens (1,000 to 100,000) and a 'you will receive 0 TIMPI' button. At the bottom, there are three payment options: 'PAY 0 ETH (ERC20)' with the ETH logo (circled in blue), 'PAY 0 BNB (BSC)', and 'PAY 0 MATIC (Keplr)' with the Keplr logo.

Step 3

The image shows a payment confirmation screen. It displays a QR code and a 'Cancel Payment' button at the bottom, which is circled in blue. The screen also shows a QR code and a 'Cancel Payment' button at the bottom, which is circled in blue.

Log into your profile at <https://ico.timpi.me> and navigate to the 'Purchase' tab.

Enter your Neutaro wallet address. Please ensure it is correct.

Enter '1' for the number of tokens to be purchased and click the Eth button.

At the confirmation screen Click 'Cancel'

Your Neutaro wallet is now saved to your profile.
